We provide services for research & development work with well-equipped laboratory to meet the requirements of Academic, Basic Science students, Medical Professionals & SME (Small & Medium Enterprises). We Provide Project Assistance to students of B. Pharm. M. Pharm., M.Sc. B.A.M.S., B.D.S. and Ph.D. Programme.

Purpose:

This MOU will establish academic and research cooperation, and establish rapport among students and the faculty of both the institutions with respect to academic programs. This MOU also deliver innovative research projects based on Pharmaceutical Sciences through a joint collaborative effort between PCOP, Dighanchi and BiRD.

THE MEMORANDUM OF UNDERSTANDING WITNESSETH AS UNDER:

1. A joint committee comprising of designated staff members from both parties will explore newer opportunities for further research in the field of pharmaceutical sciences and associated medical subjects. The joint committee also offers guidance for research projects in areas mutually agreed upon.
2. Both parties are agreed to sharing their human resources in training undergraduate and post graduate, and doctoral pharmacy students in the field of their expertise, and research facilities available at their research centre.
3. Both parties are agreed to promote research and realize cooperative projects, giving priority to interdisciplinary approach.
4. Both parties are agreed to support extension activities of common interest and provide access to their respective institutional research facilities to other party for the use of required samples with all relevant details, as and when required. Also, the students and staff members will be allowed to spend period of time, whenever required, in their research centre.
5. The information about the samples under testing, and the obtained results are not allowed to be transferred to any other/ third party without the mutual consent.
6. All credentials arising out of the joint research project undertaken under this MOU is appropriately be shared by both the institutes as decided by the joint committee.
7. Both parties can access all the details of the joint research study progress and results of the projects undertaken under this venture.
8. Either of the party can initiate a research project individually without the consent of the other party. For such independent research projects, the expenditure incurred for all research projects will be borne by the institution which initiates the research project.
9. The contributions of each institution will be acknowledged in publications/ presentations.

TERMS AND CONDITIONS

1. The MoU is for a period of Five years from the date of signing, and can be renewed with mutual consent.
2. The MoU shall continue for a period of 05 years, unless either party notifies in writing to the other party of its intention to terminate this MoU 90 days in advance.
3. The MoU is not a legally binding contract, and under no circumstances does this memorandum subject either of the parties to liability for breach whether material or minor of contract or any other liability under national or international law or any other applicable law.
4. The MoU does not place any financial liability on either of parties.
5. The parties may nominate an identified individual to establish a "Joint Working Group" to manage and execute the cooperative activities mentioned in this MoU.
