MEMORANDUM OF UNDERSTANDING

BETWEEN

VASANTDADA PATIL AYURVEDIC MEDICAL COLLEGE &
INSTITUTE OF YOGA, SANGLI

South Shivaji Nagar, Sangli Miraj Road, Sangli,
Tal. Sangli, Dist. Sangli, Maharashtra, India

AND

BIOCYTE INSTITUTE OF RESEARCH AND DEVELOPMENT (BiRD)

Shriram Residency, Near Bypass Road, Kalanagar, Sangli – 416416, Maharashtra,
India

This agreement is executed on this date 27/01/2026 between **Biocyte Institute of Research and Development (BiRD)**, Sangli, Maharashtra (hereinafter referred to as "BiRD") and **Vasantdada Patil Ayurvedic Medical College & Institute of Yoga, Sangli** South Shivaji Nagar, Sangli Miraj Road, Sangli, Tal. Sangli, Dist. Sangli, Maharashtra, India (Henceforth mentioned as an Institute).

Recitals

1. **Biocyte Institute of Research and Development (BiRD)** is a multidisciplinary contract research organization involved in in vitro and in vivo pharmacological research, toxicological studies, tissue and cell culture, microbiological analysis, soil and water testing, and student project guidance and training, especially in Pharmacy and Life Sciences.

Vasantdada Patil Ayurvedic Medical College & Institute of Yoga, Sangli, through its institute of Ayurvedic Sciences and Patients Care conducts various academic programs including Ist, IInd, IIIrd Professional Year and Internee and is committed to enhancing industry-academia collaborations for the benefit of students and researchers.

Scope of MoU

1. To provide exposure of analytical drug testing laboratory required for various Ayurvedic medicines.
2. To promote academic and research cooperation between BiRD and the Institute.
3. To enhance practical knowledge and technical skills of students through exposure to real-time research and laboratory training.
4. To develop a collaborative platform for training, internships, and workshops.

Aims and Objectives

1. Provide students with opportunities for project work, industrial training, and internships.
2. Invite BiRD professionals as guest lecturers or visiting faculty.
3. Facilitate research collaboration in areas of pharmacology, toxicology, and drug development.
4. Organize joint workshops, seminars, and conferences.
5. Support sharing of scientific data, resources, and publications.
6. Promote collaborative student project evaluation and guidance, especially for post-graduate and doctoral research.

Liability & Confidentiality

1. Neither party shall be liable for any personal loss/damages arising during the execution of this MoU.
2. Both parties agree to treat any shared proprietary or classified information as confidential, and shall not disclose it to third parties without prior written consent.

Termination Clause

This MoU may be terminated by either party under the following conditions:

- a. Non-compliance with the agreed terms.
- b. Breach of provisions by either party.
- c. Either party may terminate the MoU by providing a one-month written notice.

Duration of MoU

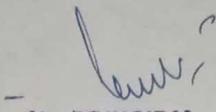

This MoU shall remain valid for a period of **five (05) years** from the date of signing, and may be renewed upon mutual agreement.
