Shriram Residency, Near Bypass Road, Kalanagar, Sangli – 416416,  
Maharashtra, India

This agreement is executed on this date \_\_\_\_\_ between **Baburao Patil College of Arts and Science Angar**, Tal- Mohol, Dist- Solapur (M.S), India and **Biocyte Institute of Research and Development (BiRD)**, Sangli, Maharashtra (hereinafter referred to as “BiRD”)

1. Baburao Patil College of Arts and Science, Angar was established in the year 2001 and It is two faculty college imparting education to the students of arts and science and it is only aided college in the science faculty in the vicinity of Mohol. The college provides quality educational services to the students of the vicinity. The college is named after late founder President Baburao (Anna) Patil. The college is started and run by Shri. Angarsiddha Shikshan Prasarak Mandal Angar. “तमसो मा ज्योतिर्गमय” is the motto of the Sanstha. The college reflects the vision of the Sanstha. it is a distinguished degree college affiliated to the Punyashlok Ahilyadevi Holkar Solapur University, Solapur. The college is accredited with B<sup>++</sup> grade with

CGPA 2.76 by NAAC. The college is awarded with best college and best principal award by PAH Solapur University, Solapur in 2024. The College is recognised under 2f and 12 B section of UGC Act also. It is Sheltered in huge well architecture premises along with beautiful natural campus, the college has a unique academic atmosphere chiefly characterized by interdisciplinary scholarly interaction and healthy competitive spirit and enthusiasm to excel in various curricular activities. Within a very short span of time the college has gained recognition for preparing and grooming the students at under-graduate level into academically meritorious students and professionally efficient scholars.

2. **Biocyte Institute of Research and Development (BiRD)** is a multidisciplinary contract research organization involved in in vitro and in vivo pharmacological research, toxicological studies, tissue and cell culture, microbiological analysis, soil and water testing, and student project guidance and training, especially in Pharmacy and Life Sciences.

#### **Scope of MoU**

1. To promote Academic and Research cooperation between BiRD and the College.
2. To enhance Practical knowledge and Technical skills of students through exposure to real-time research and Laboratory training.
3. To develop a collaborative platform for training, internships, and workshops.
4. To ensure quality Control Analysis of Raw drugs & prepared.

#### **Aims and Objectives**

1. Providing students with opportunities for Project work, Industrial training, and Internships.

- 
2. Inviting BiRD professionals and College faculty members in each others institute as Guest lecturers or visiting faculty.
  3. Facilitating research collaboration in areas of pharmacology, toxicology, and drug development.
  4. Organizing joint workshops, seminars, and conferences.
  5. To Support sharing of scientific data, resources, and publications.
  6. Promotion of Collaborative Project works of Teachers and Students through Evaluation & guidance.

#### **Liability & Confidentiality**

1. Neither party shall be liable for any personal loss/damages arising during the execution of this MoU.
